EDUCATION

Universitas Gadjah Mada
Information Technology (Master of Engineering)
Thesis:
“Optimizing Business Process Efficiency Through BPMN Engine-Enabled System Automation”

Yogyakarta, Indonesia
02/2024—07/2026

Universitas Islam Negeri Sunan Ampel
Information System (Bachelor of Computer Science)
Thesis:
“Open-Source Forensic Applications Performance Analysis on Smartphone Android-Based in Collecting Digital Evidence”

Surabaya, Indonesia
09/2015—08/2021

EXPERIENCE

PT BFI Finance Indonesia Tbk
Backend Engineer (Loan Origination Squad)

South Tangerang, Indonesia
01/2024-10/2024

- Contributed to the end-to-end implementation of a core system, managing its transition from a 3-branch pilot to a nationwide go-live across 200+ branches.
- Developed an adaptable system template and modular workflows for 6 different loan products, enabling the system to handle diverse risk profiles and dynamic approval rules.
- Provided technical guidance to associate engineers and performed peer code reviews to ensure architectural alignment and software robustness across the squad.

Associate Backend Engineer (Loan Origination Squad)

10/2022-12/2023

- Developed scalable microservices and 3+ core modules, optimizing system performance for high-traffic environments.
- Built a hybrid scoring system and tailored operational workflows for Surveyors and Ops Staff, supporting complex Sharia and Conventional compliance requirements.
- Collaborated in cross-functional Agile teams to deliver end-to-end solutions aligned with strategic business objectives.

BFI Technology Development Program (Loan Origination Squad)

06/2022-10/2022

- Accelerated mastery of complex finance business processes and internal system architectures within an intensive On-the-Job Training (OJT), achieving full readiness for squad deployment.
- Assisted in backend development and technical documentation while proactively troubleshooting bugs to ensure system stability and 100% accuracy in system documentation prior to production releases.

PT Radio Merdeka Lokatama
IT Support (Intern)

Surabaya, Indonesia
01/2020—02/2020

- Resolved hardware, software, and network issues through proactive troubleshooting and maintained detailed support logs for process improvement.
- Authored 30+ broadcast segments, including ad announcements, song transitions, and breaking news, contributing to daily radio operations.

ORGANIZATIONS

Himpunan Mahasiswa Program Studi Sistem Informasi (Himaproisif)
Secretary

Surabaya, Indonesia
06/2017—05/2018

- Managed administrative operations and document workflows for various department projects, ensuring organized and accessible records.
- Coordinated schedules and internal communications between organizational leaders and stakeholders to streamline project execution.

CERTIFICATIONS

- Language: English Proficiency
- Microsoft Office: Proficient in Word, Excel, and PowerPoint
- Database Administration: Specialized on MySQL

TRAINING

- Full-Stack Development: Specialized on React and Node.js
- Back End Development: Specialized in Java, Go, and Kotlin
- Quality Assurance: Utilized Katalon Studio for testing

Other certifications and training, including certificates: [\[check\]](#)

AWARDS

Awarded Full Academic Scholarship by the Ministry of Religious Affairs and the Indonesia Endowment Fund for Education Agency (LPDP), Ministry of Finance.
